## FIVE YEARS OF SUCCESSFUL TOP LEVEL SEARCH

This month marks our five-year anniversary in the Executive Search business. In addition to maintaining our 100% success record for a fifth straight year we have a few other things worth shouting about! The last 12 months have been a time of unprecedented growth and success for VA Search. As a valued partner we hope you can spare a few moments to catch up with what we've been doing and where we're going.

### PREFERRED SUPPLIER TO EUROPE'S LEADING BRANDS

Our focus on the ICT sector and our transparent search techniques have paid dividends in the form of preferred supplier status to some of Europe's largest companies including Accenture, Ahold, CSC, IBM, Orange, SAS and Electrolux.

### CELEBRATING BY GIVING

In 2008, VA adopted the [One Laptop Per Child Foundation](#) as our charity of choice. We'll donate 1 XO laptop for each placement, given as a gift on behalf of our clients. We feel this foundation, designed to bring educational opportunities to those in disadvantaged parts of the world, is a great fit for our mission of joining the best talent with the best companies. And as part of our fifth anniversary celebrations, we are donating 25 XO laptops to children in the third world to get the ball rolling.

## OUR NEW WEBSITE

If you have an executive position to fill and would like to give something back - as well as experience one of the fastest and most successful recruitment processes in the business - VA Search is the obvious choice, and our new website at [www.VA-Search.com](http://www.VA-Search.com) has been re-launched to reflect this. With new staff, new clients and new milestones an update to the site was a logical step. Needless to say, we'd be very pleased if you shared this site with colleagues who may need our services in the future!

## ONWARDS AND UPWARDS INTO 2009

That ends our newsletter for this summer, but we hope to be in touch shortly, we look forward to serving you soon.
