

Sixth Birthday

VA opens office in Paris on 6th anniversary!

Welcome to the newsletter of VA to celebrate our 6th anniversary. VA is growing and increasingly serving clients throughout Europe; therefore we are delighted to announce that VA has opened an office in Paris.

You are very welcome on 121 Avenue des Champs Elysées.

VA is always striving to improve; we would like to refer to an [interesting new article in the Harvard Business Review](#) on recruiting. It's for you to judge how we score in helping companies grow and professionals develop their career. The best way to assess our success of the last 6 years is to look at what [clients have said of VA](#).

The last year we had many senior placements including the new Managing Director Germany of Wipro, the new Worldwide CIO of Pearle and a Business Intelligence Partner at Accenture. In the current market I'm convinced stronger ties are even more important, therefore I would like to invite you to my [Personal LinkedIn](#).

This makes it easy to stay fully updated on progress on your,... and our side.

On behalf of the VA-Team, have a great summer!
